

MESSAGE ON THE BREEZE

MESSAGE ON THE BREEZE

7 in Edition

I enjoyed doing this sculpture more than anything I have done to date. How many times have I seen this exact pose as he lifts his trunk and seemingly leaves as in slow motion but in a thrice he is gone, swallowed by the bush. So enjoy him while you can see him for you may never see him again.

Dimensions

W: 14" H: 16" L: 15" (36cm x 41cm x 38cm)

Weight

18lbs (8.6kg)

BRONZE
Africa
