

PACHEDU

PACHEDU

25 in Edition

“Pachedu” is a Shona word from Zimbabwe meaning “Our Place.” These two old Hippo bulls will remain the best of friends and share a little sand bank in the sun for months and months. However the peaceful nature of this scene can and will be broken by the appearance of a female in usterous and then “Pachedu” becomes a battlefield. So fierclely will these two old friends fight that one may even kill the other. So for the moment, enjoy their easy companionship, at least while it lasts.
